

REMOTE LEARNING PROGRAM TERM 3

We will continue to run our current timetable whilst students are participating in the flexible and remote learning program. Students and teachers will be working according to the timetable schedule for domain based subjects. Year 12 assemblies will run each week and other assemblies will be organised as required by the Sub-School Teams. Students will be notified via a newsfeed.

Program Structure

- A lesson plan, with explicit instructions and reference to required learning resources will be provided for all 60 and 90 minute timetabled classes on Compass. (30 minute lessons can be continuation of previous lesson plan)
- All 60 or 90 minute timetabled classes, **excluding** Sport Education will commence with a Zoom session.

Attendance rolls will be marked during this time.

Verbal Instructions for the lesson, student progress checks and time for clarification or questions will occur.

- Students can continue working on their own with the teacher available to respond to any questions for the remainder of the lesson.
- Students will be provided with opportunities to demonstrate their understanding through a variety of Learning/Assessment Tasks.
- Teachers will endeavour to respond to student or parent emails within 48 hours of receiving communication between the hours of 8.30 am to 4.00 pm Monday to Friday. (part time staff members will respond in line with their work schedules.)

Student Responsibilities

- Students should refer to Compass for all lesson plans and links to Zoom sessions and aim to complete set work and submit this as required.
- Students must use their full name to be admitted into Zoom sessions and endeavour to participate actively in these sessions, ensuring they adhere to appropriate on-line protocols.

Which include:

Only attending Zoom lessons to which they are invited.

Wearing appropriate clothing during an interactive lesson.

Selecting an appropriate background during the lesson.

Maintaining professional and respectful communication on line at all times. This means no offensive or unprofessional comments either by microphone, chat function or drawing tool.

- Students are encouraged to participate in Zoom sessions with their videos on to gain maximum benefit and facilitate teaching and learning.
